Area Shaded in Red was explored by State Mine Inspector William Gainey and Greenwich Collieries Mine Rescue Teams on February 22, 23, 1976. For missing man Ronald Moser of Patton, Pennsylvania. This was requested by Patton Fire Chief Dean Smith. Operations were ceased at 2:00 P.M. 2-23-76, until further notice. No signs of missing man were found.

At approximately 4:30 P.M. February 24, 1976, Alvin Moser, Ronald's father, called and informed me that the man was found in Coal Creek Lifeless 100 yards from his home.
