This map shows a portion of Shoaf No.2 Mine of United States Steel Company, the remaining coal in which was extracted under lease by Whyel Coke Company and Bridgeview Coal Company, is certified to be an exact copy of the original map and to the best of my knowledge and belief, shows the excavations in said mine.

RECEIVED SEP 15 1952 MINE INSPECTORS

Bill

Honorable Richard Maize,
Secretary of Mines,
Harrisburg, Pa.

Dear Mr. Maize:

Enclosed herewith is the final map of the Crawford No. 1 Mine, Bridgeview Coal Co. the map is certified by the United States Steel Company Chief Engineer, The United States Steel Co. owned the coal which in turn was mined out by the Whyel Coke Co. and the name was later changed to the Bridgeview Coal Co. Mine has been sealed to meet requirements of Mine Sealing.

Also the final map of the Diamond Mine or Shaft Mine, of the Diamond Coal Co. which was destroyed by fire in January of this year. The map is Certified by Mr. Oubbage of Point Marion, Pa.

Copy to W. Garfield Thomas.

Very truly yours,
Geo. J. Steinheiser
