LETTER OF MAP AMENDMENT
218-70-RS

IN REPLY REFER TO CASE NO.: 98-03-1542A

Community: Township of Upper Allen,
Cumberland County, Pennsylvania
Community No.: 420372
Map Panel Affected: 0010 C
Map Effective Date: February 15, 1980

We reviewed a request dated July 20, 1998, for a Letter of Map Amendment (LOMA). All required information for this request was received on November 2, 1998. Using the information submitted and the effective National Flood Insurance Program (NFIP) map, we determined that a portion of the property described below is located in the Special Flood Hazard Area (SFHA), an area that would be inundated by the flood having a 1-percent chance of being equaled or exceeded in any given year (base flood); however, the structure on the property is not in the SFHA.

Property Description:	Lot 46, Spacious Acres, Section 3, recorded in Deed Document No. 1996-012144, Book 138, Pages 1027-1030, on May 8, 1996, filed in the Cumberland County Recorder of Deeds' Office
Street Address:	306 Hemlock Road
Flooding Source:	Trout Run

This letter amends the above-referenced NFIP map to remove the structure from the SFHA. The structure is now located in Zone C, an area above the 0.2-percent-annual-chance flood level. Flood insurance coverage for the structure may be available under a low-cost policy (see enclosed document). Because portions of the property remain in the SFHA, any future construction or substantial improvement on the property remains subject to Federal, Commonwealth, and local regulations for floodplain management.

An additional enclosed document provides information about LOMAs. If you have any questions about this letter, please contact Helen Cohn of our staff in Washington, D.C., either by telephone at (202) 646-3457 or by facsimile at (202) 646-4596.

Sincerely,
