MAP SHOWING THE STANDISH FORD, THE JOHN REED, THE TWO WILLIAM WILSON AND THE MARY FEARON TRACTS OF LAND ON TANGUASCOOTACK CREEK, IN BALD EAGLE TWP. CLINTON CO. PA.

AS SURVEYED FOR W. H. KELLER AND W. P. HURLBUT

BY Wm P. MITCHELL,

April & May 1909.

SCALE, 1 INCH = 80 RODS.

Content of said five tracts is 1694 Ac. 81 Pch.

Measurements on this survey were made exceedingly exact- a standardized steel tape chain being used and horizontal measurements maintained throughout.
All bearings are Magnetic bearings of April & May 1909.
All Stones Corners are large and well built. All Lines are well blazed & painted WHITE.
Small figures along Lines indicate distances to Roads, Streams and other important landmarks.
