

Mapped, edited, and published by the Geological Survey  
Control by USGS and NDS/NDAA

Topography by photogrammetric methods from aerial  
photographs taken 1967.

Polyconic projections, 10,000-foot grid ticks based on Pennsylvania  
coordinate system, south zone.

To place on predicted North American Datum 1983 move the  
projection lines 5 meters south and 21 meters west.

Fine red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs. This information is unchecked.

There may be private inholdings within the boundaries of  
the National or State reservations shown on this map.
