

Fatal Accident
 Edmond Zatorsky
 Barnes & Tucker Co.
 Lancashire #15 Mine
 BAKERTON PA.
 August 24, 1953
 Scale 1" = 25'

Victim had finished heading stamp at point A, and was trampling ColMol to safe position as arrows indicated. He became wedged between rib and ColMol at point B. When found his right leg was over control levers and his head was over loading machine, both arms were at this side.
