NOTICE: The Bureau of Deep Mine Safety, by Act of Assembly, requires that this map be filed with the Prothonotary of each county in which the coal beneath the area covered by this map is to be mined, and that a bond be filed with the Department of Environmental Resources, conditioned upon the payment of all damages which may be occasioned to any property by reason of coal mining operations, including damages caused by the contamination or interruption of water supplies. Any person who shall mine any coal beyond the limits of the area authorized by the mine map filed by him, or who shall fail to support properly all adjacent workings, roadways, and property, as required by law, shall be guilty of a misdemeanor, and, upon conviction, shall be sentenced to pay a fine or undergo imprisonment, or both, as provided by law. The Commonwealth does not guarantee the accuracy or completeness of this map or its fitness for any purpose. Any person using this map for any reason undertakes all responsibility for any consequences arising therefrom. The Commonwealth, the Bureau of Deep Mine Safety, the American Premier Underwriters, Inc. and United Railroad Contractors and its auxiliary Lumber Railroad Corp., which prepared this map, and their employees, officers and agents disclaim responsibility for any injuries, illnesses, property damage or liability arising from its use.
