PARDEE COLLIERY Nº29

PENNSYLVANIA COAL & COKE CORPORATION

CROWN SEAM OF COAL

BATSON PA

Scale 1"=100

On this 11th day of August A. D. 1927, the undersigned, Mining engineer of Pennsylvania Coal and Coke Corporation, a coal company as described in Section 6 (a) amended by act of May 1, 1937, section 6, P. L. 1547, article II, of the Bituminous Mining Laws of Pennsylvania, approved June 3, 1937, hereby certifies that this plan is a true and correct copy of the original plan map of Pardee No. 29 Mine of Penn. Coal, and that to the best of his knowledge and from the information obtainable, by bringing down the original map to a true, complete and correct map the extent of all of the workings now in said permanently abandoned mine. In particular, he certifies, the undersigned states that the mine is practically surrounded by other mining organizations prior to the enactment and operation of the Bituminous Coal and Coke Conservation act prior to the time that the mine workings and pillars thereof were under the direction of the undersigned, so that he has no direct means of information with respect to the outlines, workings and excavations. This certificate, therefore is qualified and made to said original map under its direction which was put [illegible] to these maps in the hand of its Engineer and taken from information furnished to him by engineers and others working under its direction.

While said mine adjoining has been permanently abandoned, there remains in the property lying the entirety of the "Crown" seam of coal contained thereof which may in the future be charted by surveys, questions or by the entry of drifts through said entrance.
