 On this 8th day of April, A.D. 1932  
 personally appeared before me Leo C. Gibson,  
 who, being duly sworn, according to law, says  
 that he is the Engineer for the Railway Steel-

 correct survey of the abandoned workings  
 of the said company's mine, to the best of his  
 knowledge and belief.  
 Sworn to and subscribed before  
 me the above day and date.
