

SPRINGFIELD #4 MINE
 OF THE
SPRINGFIELD COAL CORPN
 SPANGLER, CAMBRIA CO.
 PENNA.

SCALE 1" = 100 FT.
 COPY OF TRACINGS TURNED OVER TO BARNES & TUCKER 4-24-57

EXPLANATION
 The map is a plan view of the mine workings, showing the layout of the shafts, main and branch airways, and the various levels of the mine. The map is color-coded to show the different sections of the mine, and the various shafts and airways are labeled. The map is a technical drawing, and is not intended to be used as a guide for navigation or other purposes.
