

NO. 1000
This map shows the city of London as it was in 1800. It is a plan of the city, showing the streets, buildings, and other features. The map is divided into districts, and the names of the districts are written in the spaces between the streets. The map is a fine example of the work of the Ordnance Survey, and it is one of the most valuable maps of the city of London.

St. Paul's Church
St. Martin's Church
St. James's Church

St. Andrew's Church
St. George's Church
St. Peter's Church

St. John's Church
St. Philip's Church
