

This is a detailed cadastral map of a rural area, likely in the United States, showing land parcels and their owners. The map is overlaid with a grid of coordinates, with Easting (E) and Northing (N) values ranging from 62,000 to 68,000 and 116,000 to 118,000 respectively. The land parcels are outlined in different colors: red, blue, and purple. The owners and their respective acreages are as follows:

- Philip J. Mosier**: 126.89 AC. Located in the upper central part of the map.
- John P. Mosier**: 79.789 AC. Located in the upper left part of the map.
- Boyd E. Zediker**: 158.21 AC. Located in the lower left part of the map.
- Abigail K. Warne**: 81.435 AC. Located in the center-right part of the map.
- Hugh Barr**: 144.33 AC. Located in the lower right part of the map.
- J. Kammer**: 50.18 AC. Located in the lower left part of the map.
- W. F. Patterson**: 85.38 AC. Located in the lower center part of the map.

The map also shows various survey lines, bearings, and distances. For example, a line is labeled "S 111.000" and another "E 62.000". There are also several small circles and dots scattered across the map, possibly representing wells or other features. The map is a technical drawing with a focus on land ownership and boundaries.
