

QUEMAHONING COAL
COMPANY.
MINE, No. 1.

AT
RALPHTON SOMERSET CO.,
PA.

Scale one inch to 100 ft.
100 ft. = 1 in. = 100 ft.

NOTE: All the property shown on this map is owned by the Quemaoning Coal Company. The map was prepared by the company's engineer, J. H. Edwards, in 1905. It is based on a plan of the mine as it was then, and is not intended to show any changes that may have since taken place. The map is not a legal document, and should not be used for any purpose other than for general information.
