

Worked Out By Pittsburgh Coal Co.

Hoist Shaft Colonial No. 4  
No. 4 Shaft

MAN WAY

No. 1 Flint

Telephone

Esken and Millward  
Went Down This  
Entry to Ascertain  
Extent of Fire. They  
were wearing 2 Haul  
All service Gas Masks.  
Had Flame Safety Lamps  
And Permitted Flash Lights  
They had Reached Point  
When They Started to  
Go Back when Esken  
Marked Back when Esken  
Had Traveled about 300 Feet

This Haulage Road is now used to  
Haul Slate to No. 4 Shaft and to  
Bring Supplies from No. 4 Colonial  
Hoist shaft into Mine and Man Trips.
