

NOTE: This map is prepared as a substitute for the original survey. It is based on the original survey of the Sterling Nos. 1 & 6 Mines, B Seam, Cambria Co., Pa., as shown on the map of record filed in the Office of the Recorder of Deeds, Cambria Co., Pa., on June 10, 1888, and as amended by subsequent surveys and filings. It is intended to show the location and extent of the various tracts of land and the location of the various buildings and other structures thereon. It is not intended to show the location of the various tracts of land or the location of the various buildings and other structures thereon, unless they are shown on the original survey. It is not intended to show the location of the various tracts of land or the location of the various buildings and other structures thereon, unless they are shown on the original survey.
