

REMARKS: This map is based on a survey of the
 Cherry Tree Coal Co. Mine, Cambria Co., Penna.,
 conducted by the U.S. Geological Survey, 1907.
 The map shows the location of the mine and the
 surrounding land. The mine is located on the
 east side of the map, near the center.
 The surrounding land is divided into sections
 owned by various individuals and companies.
 The map is a plan view and does not show
 topography or elevation.
