Areas of the mine labeled "M" delineate areas that were surveyed and certified by Musser Engineering, Inc. Those areas are considered "FINAL" for the Rampside No. 1 Mine. Musser Engineering, Inc. does not finalize any area of the mine not surveyed by Musser Engineering, Inc.

I, Randall L. Musser, a Professional Engineer in the Commonwealth of Pennsylvania, hereby certify that the surveying and mine mapping conducted by Musser Engineering, Inc. after November 22, 1995, was conducted in accordance with generally accepted surveying standards for the mining industry, and is true and correct to the best of my knowledge and belief. All base map preparation for the mine, and all mine surveying and mapping prior to November 22, 1995, was conducted by and certified by the engineering staff of BethEnergy Corporation or Beyond Corporation and is not the responsibility of Musser Engineering, Inc.
