Enclosure

William P. Ferrell
Senior Mining Engineer
Eastern Region

Dear Mr. Withers:
Accompanying this letter is a 1" = 500' certified print of the final works of Renton Mine as mined by Consolidation Coal Company as of this date.
When I am in your office I will certify the map you have as the final workings of Hamar Coal Company's Hamar Mine.

Sincerely,
William P. Ferrell
Senior Mining Engineer
Eastern Region
