SKELTON MAP OF THE WESTERN MIDDLE COAL FIELD
SHOWING THE RELATIVE POSITION OF NINE SHEETS NOS. 1, 2, 3, 4, 5, 6, 7, 8, AND 9

This is a detailed historical map of the Sacramento-San Joaquin River Delta region. The map shows the extensive network of levees and canals that have been constructed to manage the water flow from the Sacramento and San Joaquin Rivers into the San Francisco Bay. Major cities and towns are labeled, including Sacramento, Yuba City, Marysville, and Marysville. The map also shows the extensive network of levees and canals that have been constructed to manage the water flow. The map is oriented with North at the top, and the title 'SACRAMENTO-SAN JOAQUIN RIVER DELTA' is prominently displayed at the top center.
