

SUBTERRANEAN
MAP
of the
BARCLAY COAL MINES
IN
FRANKLIN TWP.
BRADFORD COUNTY PENNA.

FROM
Walkers and Frisbie's Surveys
DRAWN BY
Z. F. WALKER
August 1881

EXPLANATION

This plan, showing the underground workings of the Barclay Coal Mines, was prepared by Z. F. Walker, August 1881. The plan shows the location of the mines, the extent of the workings, and the position of the pillars. The plan is drawn to a scale of 1 inch = 100 feet. The plan is drawn by Z. F. Walker, August 1881.
