

Scale 1" = 1600'

3/26/58

Sketch by John O. McFadden
Ebensburg Pa.

- (a) outline of surface properties are shown
- (b) Boundaries of Mining operation are shown in Red - This is old Mine known as Norton #1 Mine. There remains a considerable tonnage in pillars which we propose to mine
- (c) Drainage points are shown by Red Arrows and all is to Tokok Lake Creek. Some of it through old workings to Johnson Mine workings to Tokok Lake Creek the same as now and in the past
