DEEP MINE SAFETY 100

A vertical graphic for mine safety. It features a black rectangular background. On the left, the text "DEEP MINE SAFETY" is written vertically in white, bold, sans-serif capital letters. To the right of the text is a vertical scale. The scale has a white bar with a black and white checkered pattern. The numbers "0", "100", and "200" are printed in white at the bottom, middle, and top of the scale respectively. To the right of the scale, the word "Feet" is written vertically in white. At the very top of the graphic, the number "100" is printed in white inside a small black rectangular box.
