

Note: This section is according to the Moresa Colliery and is published in the Report on the New Pottsville and Moresa Coal Fields in Annual Report for 1907.

NOTES:
1. The North and South Meridian and East and West Parallel lines are shown 2000 feet apart and are based on the true Meridian established by observations at the Fort Meade Coast House.
2. The map is printed on the Moresa Colliery bed with the exception of the outcrop of the Mauch Chunk Red Shale which is shown in black.
3. With the exception of the Mauch Chunk Red Shale, all other beds are shown in black with the exception of the Lykens Valley Bed which is shown in brown.
4. The map was constructed from the surveys of the Philadelphia and Reading Coal and Iron Company, Lehigh Coal and Navigation Company, Alliance Coal Mining Company, P.R.C. & I. Co., and the Pennsylvania Geological Survey.
5. The names of the various estates and companies are given in full in the accompanying list.

This map was constructed from the surveys of the Philadelphia and Reading Coal and Iron Company, Lehigh Coal and Navigation Company, Alliance Coal Mining Company, P.R.C. & I. Co., and the Pennsylvania Geological Survey.
