This is a detailed historical map of the Glen Alden Coal Woodward Colliery area. The map shows the Susquehanna River at the bottom, with a bridge crossing it. A main road runs horizontally across the top. To the left, a vertical road is labeled "LANE NO. 11 COLLIERY". The central part of the map features two shafts: "NO. 1 SHAFT" and "NO. 2 SHAFT". Various land parcels are outlined and numbered, with some containing handwritten notes about conveyances or leases. A cemetery is located near the center-left. A "ROCK BANK" is indicated along a waterway. A "D.L. & W. HIGH TENSION LINE" runs diagonally from the bottom right towards the center. The name "GLEN ALDEN COAL WOODWARD COLL'Y" is printed in large letters on the right side. Numerous spot elevations and survey points are marked throughout the terrain.
