

Tremont east (A)
now A-A'

Smooth out lines, unit thicknesses, etc. from
my rough field sketching

major folds, faults, ridges, streams
labeled above surface

LINES ABOVE SURFACE
TO BE TAKEN OFF!

lines for fault
+ other units should not
cut across talus +
stream deposits on
cross sections.

maintain even
interval in this
unit here

LINES OUTSIDE OF COLORED AREA TO BE TAKEN OFF -
ONLY COLORED AREA TO BE REPRODUCED!

Scale 1:20,000 - (same as map)
Map is to be reduced to 1:24,000;
Cross sections to 1:36,000 or 1:48,000
