LV-2	121.48	0.00	121.48
TOTAL	242.89	0.00	242.89

** Includes 24.1 A. leased to Harwood Coal Co. and excludes Stony Creek unproven coal basin.*

SURFACE OWNED OR CONTROLLED BY LVCCO. (ACRES)

TRACTS	OWNED	LEASED	TOTAL
LV-1	121.41	12.93	134.34
LV-2	121.48	12.93	134.41
TOTAL	242.89	25.86	268.75

COAL - MINING

TRACTS	OWNED	LEASED	TOTAL
LV-1E	53.0	0.00	53.0
LV-2G	10.0	0.00	10.0
TOTAL	63.0	0.00	63.0

KEY TO SUBSIDENCE
(Class and date of final subsidence shown in hollow figures.)

CLASS EFFECT ON SURFACE

- A None
- B None except for important permanent structures.
- C Destructive for all purposes.

KEY TO SURFACE AREAS

- Surface requiring support.
- Coal-mining surface.
- Non-coal-mining surface.

CHISNELL COAL CO., INC.

MAP OF HUMBOLDT PROPERTY JULY 9, 1915

SCALE IN FEET
0 400 800 1200 1600 2000

Notes:-

- Areas marked "rel" exclude highways, railroad rights of way and/or other areas not includable in this valuation.
- Areas stated for tracts or sub-portions of same are total areas within their exterior boundaries, except where otherwise noted.
- Map made by J.B. Buss and plans furnished by M.C. Sterling, L.A.T. and J.M. Humphrey, Min. Eng., LVCCo.
- Areas marked "barren" include coal areas, now or workable or commercially valuable, or not controlled by LVCCo.
- The designation of rights of support by color is omitted for all the areas marked "barren".
