Some houses are shaded black, while others are white. In the center of the map, there are several larger buildings: a cross-shaped building labeled "I.V. Coal Co's Office", a large rectangular building labeled "Warehouse", and two smaller rectangular buildings labeled "Stable". To the right of the warehouse is a long, narrow building labeled "Platform". Further right is a small building labeled "Tannery". At the top of the map, there are two bridges crossing the creek. One bridge is labeled "Parker Bridge No 1". Another bridge is labeled "Parker Bridge No 2". The map also shows various roads and paths, some indicated by dashed lines. A legend at the bottom left explains the color coding: "Houses lined with black are the property of L.V.C. Co." and "houses tinted red are the property of L.V.C. Co.". A scale bar at the bottom indicates a distance of 100 feet. The map is signed "733-B." at the bottom right.
