

Total Area = 67.9938 Acres
 Deduct 2.019 " (Mill Dam Lot)
 65.9748 " in Potter Tract
 65 Acres 155.968 Sq. Rods

Note:- This is an enlarged copy of map drawn by J.D. Stanford of a survey made Oct. 27-28-1899. He makes the area of the "so called" 70 acre piece 66 acres + 22 sq. rods. We make it by careful calculation 65 " + 156 " showing a difference of 26 sq. rods.
